## WINS IN COURT SUIT.

MRS. MIRIAM A. FERGUSON  
Democratic Nominee for Governor of Texas.

The State Supreme Court on last Saturday granted Mrs. Ferguson's plea for a mandamus compelling the Secretary of State to certify her name as the Democratic nominee for Governor of Texas. This assures her name appearing on the ballot, as the County Clerks were immediately so instructed by wire message.

While this is a victory for Mrs. Ferguson, her friends must not accept it as final. The vindictiveness of her enemies seems to know no bounds, and a coalition of the leaders of this element and the Creager wing of Republican spoilsmen in Texas has been formed to defeat her and elect Bullington, an anti-Ferguson tool posing in the name of Republicanism. We know what this combination did to Al Smith four years ago; we must not forget their strength now. Every voter who can get to the polls and vote for Mrs. Ferguson on November 8th should do so without fail. Let's make her majority as large as possible.

Mrs. S. A. Jungman underwent a second operation Monday at the Santa Rosa Hospital in San Antonio, and from latest reports received by relatives here, is progressing splendidly toward recovery.

Roosevelt-Garner Medallion, this emblem is being distributed to contributors to National Democratic campaign.

To each contributor of a dollar or more to the National Democratic Campaign fund is to be given one of these bronze medallions and a receipt showing the amount contributed. In most counties in Texas an active selling committee is canvassing each individual Democrat soliciting sales, but in Medina County it has not been possible to organize such a sales force. The supply of medallions is in custody of County Chairman Fletcher Davis and he will accept for money and forward the same for individuals or groups who wish to participate. You can call on him personally at his office or mail the amount to him at Hondo.

Now is the time to set. Medina County is asked to buy 650 of these medallions. It will look bad for us, the closest neighbors of Judge Garner's home county, to fall short. The rest of Texas seems to be doing her part. Read what the National Chairman says from headquarters:

Texas takes first place in the Democratic campaign. Roy Miller was told today by James A. Farley, Chairman of the Democratic Committee. This ranking was based upon the work of the organization handling the general campaign and upon the drive for funds as well.

"Texans should be proud of the record made by the native state of the nominee for Vice-president", Mr. Farley's telegram said. "I expect all groups and individuals in Texas interested in the election of the Democratic ticket to continue to work in complete harmony with, and as directed by, your organization at State Headquarters, so that Texas can maintain its present leading position", Mr. Farley concluded.

Naturally I am gratified that our State has earned this singular honor in the successful campaign the National Committee is now conducting", Mr. Miller said. "Texans will do all that is required and more than is expected of her in this campaign. Our finance organization, headed by Frank Seaford, is confident that it will be able to remit to the National Headquarters by October 15th, more than the \$100,000 quota originally set for this State.

"We can and should show our appreciation for the honor done our State in the placing of John Garner on the national ticket of the Democratic Party, with votes and funds," Mr. Miller said.

Preliminary reports from the Medallion drive which was instituted Saturday are very pleasing, it was said.

Quite a number of people from Hondo, as well as from other places in Medina County, attended the funeral of Mike Franger at LaCoste last Sunday. The deceased was an old citizen of that community, having resided there for years and reared a family to become good citizens. His funeral was attended by a large concourse of friends who sincerely mourn the passing of a good man.

Emil Lutz was over from D'Hanis yesterday and paid our office a business call. Mr. Lutz tells a graphic story of the uncertainties of farming. The drouth in June cut his corn very short, then the rains of July and September rotted and damaged the little he did make, and what he is able to harvest will scarcely sell for enough to pay the harvesting. Verily the bed of the farmer is anything but one of roses.

**German Remedy Stops 30-Year Constipation**

"For 30 years I had a bad stomach and constipation. Sourcing food from stomach choked me. Since taking Adlerika I am a new woman. Constipation is thing of the past."—Alice Burns.

Most remedies reach only lower bowel. That is why you must take them often. But this simple German remedy Adlerika washes out BOTH upper and lower bowel. It brings out all gas and rids you of poison you would never believe was in your system. Even the FIRST dose will surprise you. W. H. Windrow, Druggist.

QUIHI NOTES.

The fruit of the Spirit is long suffering. Gal. 5: 22.  
One out of nine catalogued in the  
series. The world loves a forceful,  
impulsive, temperamental character.  
Impulsive suffering does not mean a wax-  
ing-waxing type. A decisive  
and for truth and justice is fully in  
control. But if such stand  
opposite the red-blooded resentment  
and righteous indignation we feel,  
it suffers shuns petty vengeance  
and harbors no grudges. It leaves  
final adjustment to divine juris-  
diction—to Him who knows both  
sides of the case. Long suffering  
does not grow on the soil of the nat-  
ural man. Education and general cul-  
ture may give polished manners, of  
control, outwardly, while the  
fruit of the Spirit from on high.  
The bi-monthly meeting of the  
Ladies' Aid was well attended and a  
happy spirit prevailed. The business  
items were dispatched in fine co-  
operation and the Mesdames Emil  
Boehle, Henry Boehle, and David Bur-  
ruff took excellent care of the bodily  
entertainment. Another member was  
added to the growing list. The host-  
esses for the next meeting are Mes-  
sames C. W. Grell, Geo. Balzen and  
Neumann.  
An ideal southern night brought  
a great throng to the last Luther  
League program. Among other  
items we enjoyed the presence of  
Rev. and Mrs. W. Leibfarth and  
Rev. and Mrs. K. Konzack of  
Castroville. The program was as  
usual and varied as ever and the Rev.  
Konzack regaled us with his vivid  
tales on the blessings of good  
friendship.  
The S. S. teachers met on Monday  
night for the discussion of plans to-  
wards the Christmas celebration of  
the Sunday school. Those planning  
to participate in that event though  
not on the regular list, should make  
their intentions known to the super-  
intendent of the S. S., Mr. Edwin  
Ball, or the pastor. The first Sunday  
school month, an hour prior to class-  
was set aside for regular meetings  
of the S. S. teachers to foster their  
co-operation and other preparations  
for the social, October 19th, are in  
progress. We dare predict an enjoy-  
able evening, with the cooperation of  
the Ladies' Aid, the Luther League  
and many individual contributors.  
Plans for the fish pond and cakes,  
and similar dainties are  
being solicited by the committee in  
charge. They may be left at the  
messagerie.  
Announcements for next Sunday.

Church at QUIHI, 10:30 A. M.; S.

## TOM MIX AND CIRCUS IN "MY PAL, THE KING".

Imagine Tom as a rough and ready  
cowboy from Texas storming a po-  
litically plumed Balkan kingdom!  
Imagine him and his pals from the  
Wild West shooting up the long-  
bearded bad men in time to save a  
10-year-old king from death!  
Imagine two-gunned Mix staging  
his famous Wild West circus in a  
moving picture!  
Well, that and more is what you  
will see in Universal's rip-roaring  
romance, "My Pal, the King", that will  
be seen at the Colonial Theatre this  
Friday and Saturday, with Mickey  
Rooney, James Kirkwood, Noel  
Francis, Stuart Holmes and Jim  
Thorpe, also in the cast.  
The story concerns a Wild West  
Show and its adventures while play-  
ing in the tiny kingdom of Alvonia.  
Mix and his entire posse of cow-  
punchers go through their paces for  
the edification of a delighted child-  
regent while his cabinet members are  
planning to spirit him away and do  
away with the political obstacle that  
his tiny person constitutes.  
Next week—Dolores Del Rio, Leo  
Carrillo and Norman Foster in "Girl  
of the Rio".

## This Woman Lost 45 Pounds of Fat

"Dear Sirs: For 3 months I've been  
using your salts and am very much  
pleased with results. I've lost 45 lbs.,  
6 inches in hips and bust measure.  
I've taken 3 bottles—one lasting 5  
weeks. I had often tried to reduce  
by dieting but never could keep it up,  
but by cutting down and taking  
Kruschen I've had splendid results.  
I highly recommend it to my friends."  
—Mrs. Carl Wilson, Mantion, Mich.  
To lose fat SAFELY and HARM-  
LESSLY, take a half teaspoonful of  
Kruschen in a glass of hot water in  
the morning before breakfast—don't  
miss a morning. To hasten results  
get lightly on fatty meats, potatoes,  
cream and pastries—a bottle that  
lasts 4 weeks costs but a trifle—but  
don't take chances—be sure it's  
Kruschen—your health comes first—  
get it at W. H. WINDROW'S or any  
drugstore in America. If not joyfully  
satisfied after the first bottle—  
money back. Mail orders filled.

## Where Does She Get Her "Pep?"

SHE doesn't look seventy. Nor  
feel that old. The woman who  
stimulates her organs can have  
energy that women half her age will  
envy!  
At middle-age your vital organs  
begin to slow down. You may not  
be sick, simply sluggish. But why  
endure a condition of half-health  
when there's a stimulant that will  
start a stagnant system to new life  
and energy in a week's time?  
This remarkable stimulant is  
perfectly harmless. It is, in fact, a  
family doctor's prescription. So, if  
you're tired of trying every patent  
medicine that comes along, tell  
the druggist you want a bottle of  
Dr. Caldwell's syrup pepsin. Take  
a bit of this delicious syrup every  
day or so, until you know by the

## HONDO P. T. A. MEETING.

Monday afternoon, Oct. 10, at which  
time a delightful program was ren-  
dered.

duet, Dorothy Mae and Grace Woolls;  
reading, Elizabeth Lancaster; piano  
solo, Frances Ruth Fly; flute duet,  
Jo Reilly and Muriel McCall, accom-  
panied by Jean McCall, and a piano  
solo by Betty Jean Merriman.  
A short business session followed  
at which time the treasurer reported  
\$30.34 in the treasury and urged the  
members to pay their dues before  
October 30th. The roll was gone  
over and revised; 105 letters were  
sent to parents not belonging to the  
P. T. A., asking them to become mem-  
bers.  
Two new members were added to  
the roll at this time.

### HONDO OWLS DEFEAT CARRIZO SPRINGS 46 TO 0.

The Hondo Owls finally overcame the stubborn resistance of a light but scrappy Carrizo football team, and during the last three quarters rolled up a score of 46 points. Coach Flory started a second string backfield, and while they gained considerable ground in the first quarter, they were unable to push over a touchdown. The Hondo line loafed out of the huddle all during the first part of the game, and as many Owl plays were stopped by their own players as were stopped by the opposition. The Owls came to life in the second quarter, and from thereon out the game was a rout. Sonny Haun, star back of the visitors, was an excellent passer, and his accuracy in that department enabled Carrizo to score its few first downs. Johnny "Whitman" Crouch, midget wriggler of the Hondo backfield, thrilled the fans with his worming and squirming through the enemy line. Nearly everybody that played showed to advantage, due mainly to the opposition. Injuries handicapped the work of some of the boys, and it is hoped that every man on the squad will be in shape Friday when the Owls take on the Sabinal Yellowjackets at Sabinal.

### Football Schedule Changed.

### PRESENT INTERESTING PROGRAM.

The Columbus Day patriotic program at the High School auditorium Wednesday night was well attended and was an entertaining and instructive affair. The program was arranged and presented under the auspices of the League of United Latin-American Citizens of Hondo and dedicated to the Parent-Teacher Association of Hondo.

The President of Hondo Council, Candelario U. Barrientes, presided and the various numbers on the program were rendered by both local talent and talent from San Antonio. The musical numbers were noteworthy, and the entire audience joined in some of the patriotic songs.

The outstanding feature of the program was the patriotic address of Hon. J. C. Soils of San Antonio.

The League of United Latin-American Citizens is an organization of Latin-American citizens intended to encourage education and promote the general welfare of their people and maintain cordial relations with their other neighbors. Only natural or naturalized citizens of the United States can belong; no citizens of a foreign country are accepted as members. The Hondo Council is composed of about twentyfive men and boys.

They are to be congratulated on the patriotic spirit they have shown in this their first public program, and on the successful manner in which it was rendered.

## BAPTIST NEWS NOTES.

Our Baptist people are rejoiced that Mr. Glenn E. Fluker, of the department of Spanish in the local High School, has accepted the Superintendency of Bible school, commonly called the Sunday School. Our teachers generally are held in the highest esteem, both on account of their exemplary character and personal culture. For these qualifications, Mr. Fluker has the fullest confidence of everyone. We trust our church, as a whole, may demonstrate their deep appreciation of this important service by their regular attendance and full cooperation. The subject for study on next Sunday, the 16th, is: Home Ideals for Today and Tomorrow. The Scripture text is found in the writings of Moses, mainly in the 6th chapter of Deuteronomy. Read it, and come to the Bible study hour. Adult men are in the Pastor's class.

At the 11 o'clock hour the Pastor will discuss "The Place God Has Given to Women in His Kingdom". All the women who are not employed in some other church are cordially invited to hear this discussion. It will do you good and not evil all the days of your life.

The Pastor is deeply appreciative of the many-sided work being done by the ladies on behalf of the children and young people. God bless them in this highly interesting and important work.

The best place, the safest place, the most profitable place to go with all the family on Sunday morning is to the House of God, for His worship. On Sunday evening at 7:30 o'clock the Pastor will speak on some dangers which beset us. Come and worship with us; we will do you good and you will find a welcome.

The Pastor.

Stiegler and Rev. and Mrs. Leibfarth.

There will be no services at our church next Sunday, October 16. The local pastor will preach twice at the Lutheran church in Knippa, Rev. G. Laner pastor. Sunday school will be held at the usual time, namely 9:15.

On Sunday, October 23, the morning service will be at 10:30 in the German tongue, while English services will be conducted at night at 7:30.

Our annual mission festival will be held in conjunction with the birthday of the Lutheran Church, namely Reformation Festival, on October 30th. German and English services will be conducted. ## Stomach Ulcers Ended Without Operation or Time Lost from Work

In these uncertain times you can not afford to take chances with costly operations or any illnesses, even minor ones, that keep you from your work.

If you are a victim of stomach

trouble—ulcers, pain, vomiting, gas, biliousness, bloating, etc.—you owe it to yourself to try this simple home treatment: Take a tablespoonful of mentha pepsin (artificial stomach juice) before your meals, to ease up the burden on your stomach and permit Nature to do her work.

That's all. But it's a treatment that gives quick, sure relief—such wonderful relief that all first-class druggists such as W. H. WINDROW guarantee your money back if it should ever fail.
